

The firm will discuss some of the main trends in the legal and transactional market.

BVA Advogados is again among the sponsors of Filasa - Finance & Law Summit and Awards, known as one of the most significant awards for legal and financial departments in the Brazilian market. The event is designed not only to award the best teams of the year but mainly to promote networking and disseminate trends.

The 2022 edition had more than 1,200 participants and celebrated the best law firms in Brazil in 25 categories. The event's program had 90 speakers divided into 20 panels.

In this edition, our partner Gustavo Quevedez will mediate a panel of debates on the Main Themes of the Agenda of a General Counsel in 2023, which will have the participation of Lizandra Lima, GC at Eurofarma, and Marcela Coelho e Mello Souza, GC from Siemens Energy.

The program will also feature the M&A panel: Overview of activities, scenarios and challenges mediated by our CEO, Felipe Barreto Veiga and our partner, Tânia Lehmann, which will feature Bia Lobo, xxx from Cidade Matarazzo, Livia Cunha, founder from Cuco Health and xxxx.
